

Course-based Assessment (CBA) for the Core

Please choose an assignment(s) in your course that assesses the area outcome for the Core course that you are teaching this semester. By the end of the semester (within a week after grades are due) please provide the following assessment data to your program assessment coordinator or to the Office of Assessment so that it can be reported in the Core Annual Assessment Report.

Area C. Humanities, Ethics, and Fine Arts	<i>SLO-4</i> Students will be able to explain how texts and works of art in the humanities address human experiences.
Area D. Natural Sciences, Math, and Technology	<i>SLO-6</i> Students will be able to use technology to facilitate problem solving. <i>SLO-7</i> Students will be able to use critical observation and analysis to model and/or predict natural phenomena. <i>SLO-8</i> Students will be able to evaluate mathematical and/or quantitatively based arguments.
Area E. Social Sciences	<i>SLO-9</i> Students will be able to interpret social science research from various sources.

Please submit the following information:

Instructor _____
CRN _____

Course Name and Number _____
of Student Enrolled _____

1. *Means of Assessing the Outcome*
2. *Desired Standard of Achievement*
3. *Results of Assessment*
4. *Do your results indicate that your students met this outcome?*
5. *Interpretation of the Results (Please provide a brief analysis of your data/results. Please discuss any course, assignment, or assessment changes or modifications you feel may be made as a result of this assessment implementation and results.)*
